EASTERN DISTRICT OF LOUISIANA

In Re: FEMA TRAILER
FORMALDEHYDE PRODUCTS
LIABILITY LITIGATION

MDL NO. 07-1873

SECTION "N" (5)

THIS DOCUMENT RELATES TO
Member Case No. 09-2892

ORDER

The Court has received the witness and exhibit lists submitted by the parties in reference to the first bellwether trial, scheduled to begin on September 14, 2009. (See Rec. Docs. 2022, 2023, 2024, 2025, 2026, 2027, 2028). The undersigned finds them to be so broadly inclusive that they are rendered meaningless. These lists are not lists that the parties or the Court can rely on in preparation for trial as they appear to be all-inclusive, seemingly containing nearly every person whose name has ever come up in this litigation and nearly every document ever disclosed. Accordingly,

IT IS ORDERED that on or before Friday, July 17, 2009, the parties shall file amended witness lists and exhibit lists that are compiled after serious thought and deliberation and that can realistically serve as documents which the parties or the Court can actually rely on in preparation for trial, culling out witnesses and exhibits which are not likely to be utilized at trial.

New Orleans, Louisiana, this 7th day of July, 2009.

KURT D. ENGELHARDT
UNITED STATES DISTRICT JUDGE
